

# “Jackal Calling Courses”

# “Jakkals Roep Kursus”

**4 DAYS!!**

**We offer a yearly course & sometimes twice a year, but mostly March every year, the dates will differ because of the moon conditions every year.**

**The course offered is the most detailed in South Africa, the material discussed and covered by far surpasses any other course given locally by any other person.**

Not only is this a 4 day course, it is also priced just above what others charge for a 2 day course, and even some a one day course.

ALSO, the course offers the student 3 nights of calling action, not 1 or 2 but 3 nights, and each day other aspects are covered and the course is divided into jackal and cats as both predators are totally different so must be discussed apart. Calling and trapping are both covered on the course.

The course is given and finally bonus additions are added not discussed here, it is a certificate course (x2) and on the course aspects discussed are topics covered that no other person in South Africa discusses on their courses.

**PLEASE NOTE** – Lecturers on courses do not reveal many secrets with students and just reveal the basics, on this 4 day course you will learn secrets and when you are finished you will feel you really got value for money and that once you put what you learned into practise you will get far better results than you got before.

**Try our course, it is at R1, 300-00 over 4 days the best value for money you will get in SA, plus the quality of the course and contents are unmatched in SA.**

**Here is a link to the venue and the courses;**

**ARLINGTON**

**Give our courses a try and see what a real course is all about, then you will see first hand what others lack in terms of content, if you attend my course and you can honestly tell me it was a joke, I will return your R1300-00 and include all your costs that it cost you to get to the farm – so what do you have to miss out on.**

**ON THE COURSE YOU GET TO DO PRACTICAL CALLING OF PREDATORS, SETTING TRAIL CAMERAS, CAGE TRAPPING LYNX ( WE DO NOT PROMOTE BARBARIC GIN TRAPS AS SOME OTHER LECTURERS DO) GIN TRAPS ARE BARBARIC AND SHOULD NOT BE PROMOTED AT ALL ON ANY COURSES. THE PRACTICAL YOU WILL GET ON THE COURSE MAKES IT THAT MUCH MORE FUN IN GENERAL.**

**COME AND ENJOY 4 DAYS WITH US IN THE FREE STATE.**

**HAPPY  
HUNTING!**
